Job Title: Service Technician

Location: Wisconsin Body & Hoist

Job Type: Full-time

About Us: We are a leading provider of truck equipment installation services in Wisconsin, specializing in new equipment installation and service & repair work. Our company is dedicated to delivering high-quality solutions to our customers, and we take pride in our team of skilled professionals who contribute to our success.

Job Description: As a Service Technician, you will be responsible for installing, maintaining, and repairing specialized equipment and accessories on truck. This role involves working on various truck types, such as commercial trucks, service vehicles, and utility trucks, to customize them for specific purposes. The ideal candidate should be a self-starter, detail-oriented, and possess strong problem-solving skills.

Responsibilities:

- Install and mount specialized equipment and accessories on trucks, including but not limited to lift gates, utility bodies, toolboxes, and plows.
- Customize trucks based on customer specifications and industry requirements.
- Conduct routine maintenance checks on installed equipment to ensure proper functionality.
- Diagnose and repair malfunctions or breakdowns in specialized truck equipment.
- Maintain detailed records of equipment installations, repairs, and maintenance activities.
- Document parts used, labor hours, and any other relevant information.
- Communicate with customers to understand their requirements and provide professional advice.
- Educate customers on the proper use and maintenance of specialized truck equipment.
- Maintain a high level of craftsmanship and attention to detail.
- Collaborate with other team members.
- Adhere to safety protocols and guidelines at all times.

Lake Region Enterprises, Inc has a strong commitment to top quality and personalized customer service. We are extremely proud of the service and quality of our trailers and the workmanship of our installations and manufactured products.

Requirements:

- Previous experience in truck equipment installation.
- Proficiency in using tools and equipment for installing and repairing specialized truck equipment.
- Knowledge of hydraulic systems, electrical systems, and mechanical components.
- Excellent attention to detail to ensure accurate and precise installations.
- Ability to follow specifications and guidelines closely.
- Ability to lift heavy equipment and work in various positions for extended periods.
- Proficient in operating a forklift and overhead crane.
- Experience in welding.
- Must have own tools for the job.
- Strong problem-solving and troubleshooting skills.
- Excellent communication and teamwork abilities.

Benefits: We offer a competitive wage and benefit package, including:

- Paid Vacation
- Paid Personal Time
- Paid Holidays
- Health Insurance
- Paid Vision Insurance
- Paid Life Insurance
- Paid Short-Term Disability Insurance
- 401(k) Retirement Plan with 4% Match and Profit Sharing
- Paid Uniforms

How to Apply: If you meet the requirements and are ready to join a dynamic team, please send your resume to amber@lakeregiontrailers.com or stop by to fill out a job application. We look forward to hearing from you.
